

BINGO

CAN YOU FIND THE MOST COMMON TYPES OF LITTER?

Horizontal line: 4 p.

Vertical line: 4 p.

Diagonal line: 4 p.

Full bingo: 16 p.

Explanations of the pictures in the reading order: processed wood, candy paper / paper waste, a piece of string or rope, bottle cap, metal, disposable food containers, unidentified plastic piece, biowaste, plastic bottle, cigarette butt, fishing tackle, food packaging, styrofoam, glass, straw, plastic bag or a piece of it. The items in the bingo represent the most common litter types found on beaches.

Please take the litter you find into the bin!
