  - Strengthening EMEP-WGE cooperation
  - Convention 40th anniversary celebration, December 2019
  - JEG-Dynamic Modelling: new programme centre?

# Suggestion by Sweden to transform former JEG – DM to a center under the Convention

As the suggestions stands now:

- A center under ICP M&M together with CCE
- Change in name to '*Center for Ecosystem Dynamic*'
- Mandate is being developed and discussed with CCE and ICP M&M – Alice and Thomas will present more (agenda item 6d)
- Decision will be taken in december 2019 at EB
